MANDIRI LIVIN' SMART BRANCH

BINTARO JAYA EXCHANGE

With bold colour accents and intuitive layouts, creates a welcoming environment and pleasant ambiance.

Every detail is carefully planned to provide a customer-centric, tech savy experience, combining innovation and functionality in a visually appealing setting.

This banking interior, features durable materials designed for longevity and easy maintenance, ensuring a high-performance space that stands daily wear and tear.

The selected surfaces, including scratch-resistant laminates, sintered stone flooring and high-grade fabrics, are engineered for heavy use while retaining their fresh appearance.

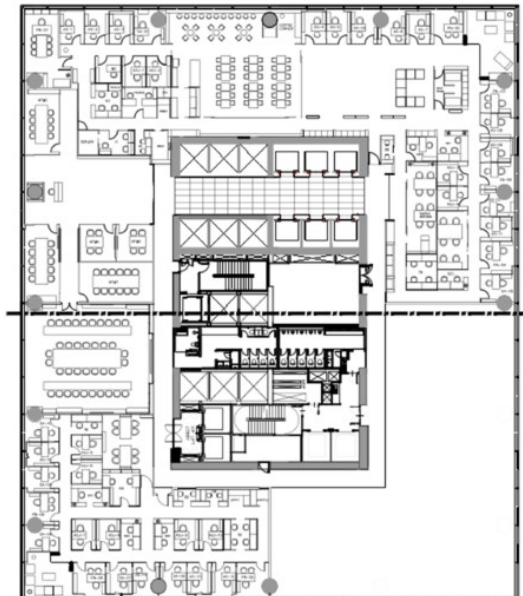

These materials are not only resilient but also low-maintenance.

Their durability is paired with a refined aesthetic, ensuring that the interior remains visually appealing and functional for years to come.

WALALANGI & PARTNERS OFFICE

PACIFIC CENTURY PLACE, SCBD SUDIRMAN

This law firm office design embraces a modern, sophisticated, and understated style with sleek lines and a monochrome palette. Polished materials like glass and wood, combined with minimalist furniture, create a refined yet functional space.

Subtle accents and thoughtful lighting maintain an elegant, professional atmosphere, supporting both private and collaborative work areas with quiet confidence

WALALANGI & PARTNERS OFFICE

PACIFIC CENTURY PLACE, SCBD SUDIRMAN

The layout will be organized for both privacy and collaboration, with private offices offering quiet workspaces, while open meeting areas encourage communication. This understated approach allows the design to exude quiet confidence, reflecting the professionalism and credibility of the firm.

Furniture will be streamlined and comfortable, balancing style with ergonomic functionality. Lighting will be carefully selected to provide a warm, inviting atmosphere while maintaining a professional tone—think recessed lighting and strategically placed fixtures to illuminate key areas without being ostentatious.
