

Richmond Type 15

KOTA WISATA CIBUBUR

Located in Cibubur, this show unit draws inspiration from the rhythm of urban life and is thoughtfully designed to balance sophistication and comfort. A dedicated entertainment area serves as a versatile space for hobbies and recreation. The grand entrance, defined by its high ceiling and refined material palette, introduces a sense of modern luxury from the very first step.

Richmond Type 15

KOTA WISATA CIBUBUR

The heart of the house lies in this open space, where everyone can gather and share daily moments. Embracing a modern resort style, the design features a warm wooden ceiling and generous garden access, creating a refreshing sense of openness and comfort that fosters togetherness.

Each adjoining room, from the living area to the master suite and home office, carries its own distinct personality while maintaining a seamless sense of harmony throughout the home. Comfort and functionality remain the main focus, enhanced by subtle expressions of luxury through the use of refined materials such as marble, brass, and glass.
